CLIENT PRIVATE LABEL & BRANDS

We make packing in client brands also with full secrecy .

Once the order is confirmed, a designer will be assigned for your project, who will develop elegant designs with your logo according to your design requests. These artworks will be provided to obtain your approval for production. Once you confirm the artworks, we move on to the production.

We specialize in Private Label Orders which are specially customized as per buyer requirements for over 15 years. Our team always ensures excellent services with effective and apt production of all goods within slated time frame to meet timelines for delivery schedule.
